<b>COLOR</b> <div></div> <div>BLACK</div>			<b>PLACEMENT OF LOGO</b> Centered.

This umbrella is crafted in Xiamen, with fabric made from recycled polyester (R-PET) transforming discarded plastic bottles into a durable, stylish shield against the rain. By choosing R-PET, we reduce waste and give materials a second life, while ensuring full traceability from recycling to the final product. With a significantly lower carbon footprint than traditional fabrics, it's a wise choice for the planet.
